## Home escape planning critical to saving lives

Knowing that today’s homes burn faster than ever, the National Fire Protection Association (NFPA) announced “Every Second Counts: Plan Two Ways Out” as the official theme for this year’s Fire Prevention Week campaign, October 8-14. Experts say you may have as little as two minutes (or even less) to safely escape a typical home fire from the time the smoke alarm sounds.

“Modern home furnishings, along with the fact that newer homes tend to be built with more open spaces and unprotected lightweight construction, all contribute to an increased rate at which home fires burn,” said Lorraine Carli, vice president of Outreach and Advocacy at NFPA. “These factors make home escape planning and practice critical.”

Meanwhile, a national survey recently conducted by NFPA shows that Americans continue to have many misperceptions around home escape planning and practice:

Less than half of Americans (48 percent) know that the correct components of a home fire escape plan include working smoke alarms, two ways out of each room and an outside meeting place.

Nearly one quarter of Americans (23 percent) do not know that each room in the home should have at least two exits.

Close to three in five Americans (57 percent) think

Bracken County FBLA is proud to announce their 2017-18 Community Service Project, “Blessings for Bracken,” also known as a Blessings Box. The box will be built in Brooksville and will contain non-perishable food and personal items, accessible 24/7 for all citizens in Bracken County. Lowe’s of Maysville generously donated the materials for the construction and Roscoe Mayfield is building the box.

that in a typical single-family home fire situation, once the smoke alarm sounds, the average person would have more than two minutes to escape safely.

“Home is the place peo-

ple are at greatest risk of fire, but ironically it’s the place they feel safest from it,” said Carli. “That over-confidence may contribute to the public’s continued lack of awareness around home escape planning

and practice.”

“In a fire situation, a practiced home escape plan ensures that everyone knows what to do if the smoke alarm sounds and how to use that time wisely,” Carli said.

## Buffalo Trace Fresh & Local inaugural meeting Tues., Oct. 17th

A new local foods/farms/agritourism group is forming for Bracken, Mason and Robertson counties. ## ACEHA hosting performance of “Abolition ... Amen!” Saturday

The recently formed ACEHA is dedicated to preserving Echo Hall, a former dormitory of the historic Augusta College (1822-1849). Augusta College was the first Methodist college in the world to confer degrees, was noted for Abolitionism, and became the model for the Wesleyan College system. ACEHA is raising funds to fulfill its mission of rehabilitating Echo Hall to serve as a museum of history and community use center.

On Saturday, October 14th beginning at 7 p.m., ACEHA is presenting a dinner + theatre event featuring Obadiah Ewing-Roush of Kentucky Humanities in his performance of “Abolition... Amen!”, an historically accurate portrayal of Rev. John Gregg Fee (1816-1901). Rev. Fee was an Augusta College graduate, Lane Seminary student, Kentucky Abolitionist, and founder of Berea College. Mr. Ewing-Roush’s performance carries audiences through the challenges, disappointments and successes of Rev. Fee and

his work towards freedom for all. The evening’s performance will be preceded by a dinner of new twists on traditional favorites: Kentucky burgoo, bourbon-glazed root vegetables, bacon-smothered greens, cornbread, blackberry cake and chess pie. Dinner is being catered by Chef Katelyn Banks of Dayton, Ky.

The venue for this fundraising event is the Clooney Community Center, 114 Bracken St., Augusta, Ky. Doors open at 6:30 with a cash bar (wine only).

Please note: this event coincides with the City of Augusta’s annual Turning of the Leaves festival. Plan to come earlier in the day for the celebration of fall and stay for the dinner + theatre event! Ample street parking available.

Emily Martin Fletcher was the guest speaker of the evening and spoke on her father’s, Steve Martin, battle with cancer.

The team was able to raise \$1,500 through a silent auction and cake auction to be donated to the Bracken County Cancer Support group. The group provides financial help to local cancer patients in the form of gas cards, grocery certificates and more.

The Varsity Lady Bears fell to the Lady Royals 1-2 (25-18, 20-25, 25-18). # Children

### Who Are CASA Volunteers?

CASA Volunteers are EVERYDAY PEOPLE who care about children! A volunteer must be at least 21 years of age, pass a criminal background check and have a high school diploma and/or GED. Volunteers of the CASA Program for Bracken, Fleming, and Mason Counties, Inc. are compassionate, objective, self-motivated individuals from our community who are trained to speak on behalf of abused and neglected children. They come from all walks of life and a variety of professional, educational and ethnic backgrounds. Many volunteers work full-time, but others work part-time, stay at home or are retired. All are passionate and committed to helping abused and neglected children.

### What Are the Roles of a Casa Volunteer?

Volunteers are officers of the court. They serve as an extra pair of "eyes and ears" for the District Judge in child abuse and neglect cases. CASAs meet with the child on their case and independently gather information from others who are involved in that child's life. This includes researching each child's situation and making objective recommendations. CASA volunteers are frequently the one constant person in the child's life as they navigate the foster care system. The volunteer's sole objective is to represent the best interests of the child.

### CASA's Mission....

Our mission is to provide trained community volunteers to speak for children in court who are victims of dependency, neglect and/or abuse. We help children find a safe, permanent and loving home as soon as possible.

### Thoughts and Meditations from the Scriptures

#### LIFE GOES ON

If you have lived long enough to experience the passing away of many of your friends and family, you realize that life goes on despite their deaths. There is something in us which feels compelled to stop everything to memorialize the passing of dear loved ones, and that is as it should be. Someone who doesn't take time out of his or her busy schedule to go to a funeral or otherwise honor someone's passing will probably regret it later, and may need to think about his or her priorities. And yet life must go on. We all have lives to live and responsibilities to meet and we can't interrupt them indefinitely because someone has died. The crux is in balancing the mourning and grief with the responsibilities. Many things will go on without us being there. Your co-workers will handle things while you go to the funeral and take time to mourn, but eventually you will need to return to work. Some cultures make haste with the funeral and burial rites, requiring the body to be buried within 24 hours after death. There is undoubtedly wisdom in such practices, as it allows the mourners to get back to their lives quickly, but there is no single right answer for these things. Situations vary, and some people need more time to grieve than others. Stop the clocks, turn off the phone, and mourn, but realize that life does indeed go on. — Christopher Simon

"Blessed are those who mourn, for they will be comforted." —Matthew 5:4 NIV

Owners - Derek & Bethany Harmon

We welcomed "Paul's Ministry" group to open our Fall Revival with their music. WOW! They were great with their Bluegrass Gospel music with so much meaning. We were glad to see so many that came today. All enjoyed the music and "Paul's Ministry" received a standing ovation.

Celebrating birthdays last week and this week: Troy Davenport, Mike Jones, Bobby Cox. Celebrating an anniversary is Billy & Tonya Berry. May God bless all of you!

This morning Hope Florer played "The Love of God" on the organ. "Paul's Ministry" sang again during the offertory.

We were blessed to have Bro. Thomas Mitchell and wife Carolyn with us. One never goes to sleep when Bro. Thomas brings God's message. Psalm 122 tells us we are to be glad when we come into the House of the Lord. We are to praise the Lord and as a child of God we are to do our best to help further God's Kingdom! When we gather around The Lord's Table may we reflect on how Jesus sacrificed His life for us. The torment, pain, humiliation, and anguish He went through was for your sins and mine. Oh, what a Savior!

A wonderful Christian fellowship followed our service. Appreciation to all that helped.

Remember in prayer: all the names on the prayer list and always each other; Crawford Thornton; Larry Haas (had cataract surgery); Beverly Turner (had a stroke); John Harmon, John & Betty Henderson; our President and our country.

Sympathy to the family of Linda Jones. May God give you strength and peace.

We were blessed with Homer Burton singing for us Sunday night.

Sat., Oct. 14 - Weiner Roast 5 p.m. Desserts are needed. Everything else is furnished. All are welcome.

Sun., Oct. 15 - choir practice 5 p.m. for our Christmas Cantata.

Wed., Oct. 18 - Bible Study 6:30 p.m. Come join us.

by Wanda & Marlene Bruce Heller, Minister

This Sunday we had rain. Jerry Zeigler taught Sunday School. Bruce & Dorothy took a "Bruce Heller day off" and went to hear their son Phillip preach.

Our lesson was on Moses and the golden calf. God was angry at his people for not obeying him. Moses prayed for his people and God showed mercy on them. Pray every day!

Opening prayer was by Jerry Zeigler and closing prayer was by James Cox.

Our church lesson was about Daniel and his three friends. They always trusted in the Lord even in bad times. Greg Perkins was our minister today. He gave a real powerful lesson. He said he use to preach at ACC in 1972. "Believe in God and all things are possible".

We appreciate Kim Fultz for the beautiful song "I Know That He Loves Me".

We want to pray for Donna Osborne's brother who is very ill, Terry Norris, all who are ill & hurting, the women & men in the armed forces. Please believe all things are possible with God.

## THANK YOU

Thank you to all who helped to make my career at First National Bank of Brooksville a very memorable experience. Your many expressions of kindness through the years have meant so much. Thank you to those who took part in my retirement reception. Your presence, kind words, cards and gifts were greatly appreciated.

It has been a pleasure and an honor to have met and worked with so many wonderful people in my years at First National Bank. It has been an invaluable experience and one that I will hold dear.

May God bless each one.

## GREETINGS FROM WILLOW BAPTIST

Pastor Trent Keeton

Though many of our people were enjoying the fall break, this past Sunday was another wonderful day at Willow. Bro. Ronnie Redden brought the morning message as Pastor Trent and his family were on vacation. Appreciation goes to Tammie Lucas for leading the music. Bro. Ronnie's message was about change. Giving a reminder from God's Word that all churches must be willing to change with their communities in order to reach them for Christ. The Gospel can never change but we cannot stay in the past if we want to exist in the future.

This Sunday afternoon we will be having a special training from the Kentucky Baptist Convention on door to door evangelism. We are praying that God will use this training to open our hearts to those in our community that do not attend a church or have a personal relationship with Jesus Christ.

We welcome you to visit with us at Willow. Please make plans to join us at 5:30 p.m. on Oct. 21 for a free community meal. Also we are having a fall festival and trunk or treat on Oct. 29 from 5-7 p.m. There will be inflatables, a bouncy house, an inflatable maze, hot dogs, and plenty of candy for all those in attendance.

Make time every morning to start your day in prayer and in God's Word before you even attempt to head out the door. God knows what the day holds for you and it's much easier to endure when you start the day off right. Visit us at [www.willowbaptistchurch.com](http://www.willowbaptistchurch.com) and like us on Facebook @willowbaptistchurch.

## PRESBYTERIAN POTPOURRI

Les Grooms, pastor Augusta Presbyterian

I attended the revival at the Christian Church this past Monday night.

We were at the candlelight at the Emmaus Women's Walk at Ruggles Campground Saturday night. The outdoor cathedral was almost filled. I was privileged to be in charge of the program and serve communion to about 200 people of different denominations. We were all one at the table of the Lord.

Sunday morning we had our monthly meeting of our Session (administrative board). Finances were discussed and plans for the future were made. Craft Fair is coming up as well as the Community Thanksgiving Meal.

We will be starting a new study in our Sunday School class next week. This will be a Max Lucado written study.

Millie Bush was the liturgist, Susie Hargett led the singing and also sang a special song.

My sermon this week revolved around the ten commandments. I emphasized the tenth commandment (You shall not covet).

Monday night is our weekly soup supper followed by the monthly meeting of the women of the church.

The Food Bank will be open Tuesday at 1 p.m.

Wednesday at noon we will have monthly Bread Basket Meal.

Worship is every Sunday morning at 10:45. Come and join us.

### NEW LIFE FELLOWSHIP

Pastor Doug Tucker

This past Sunday I spoke on a message "The Questions That Jesus Answers". What a reminder that the only group our Lord answered every question from was not the religious or political crowd but His disciples and those whose only motive was to understand and know God. It gives us all hope that there are no silly questions to God. He really does want to hear from us and help us when we come with a real heart to Him.

By the way, a big shout out to the New Life family and those families visiting with us this past Sunday who helped to meet a need for Randy and Sherry Crouch. Randy is recovering from open heart surgery.

If you don't have a home church we invite you to come visit with us. Coffee and refreshments at 10:15 and morning worship at 10:30! Remember God loves you and so do we (Romans 5:5).

### BROOKSVILLE CHRISTIAN by John Elfers

Last week I short changed BCC. Actually founded in 1842, this year marks our 175th anniversary. Obviously I wasn't there, but Patty Ann straightened me out.

Sunday was a great day! Shane invited a professor from KCU to speak, Dennis Durst, and he did a fine job sharing a message on conflict. Warning us that friction can lead to factions. We need to remember that God is the best judge, to agree to disagree, and know that we all have gifts and talents... and shortcomings! So, live by faith, enjoy God's grace, and be peacemakers.

## “Game Preserve” event part of Fall tourism package in Augusta

Contributed by Carol L. Williams

Whatever happened to Monopoly and other tabletop games? What about lawn games of skill like croquet, horseshoes, bocce and box hockey? Have they gone the way of the Dodo? Fortunately, the answer is no! Old fashioned board games and lawn activities are experiencing a revival thanks to Millennials who are making them cool again.

With the revival of board game popularity, a “Game Preserve” event is being organized as part of a fall tourism package on Oct. 21st, in Bracken County. The tourism bundle is the brainchild of Celine Quinn and Marie Kelsch. It’s designed to encourage tourism in our area and good old fashioned in-person interaction with others. The Game Preserve portion of the bundle is a time and place where all your favorite games have been “saved from extinction” for you to enjoy.

The tourism package begins with shopping, strolling and guided tours in Augusta, then moves to Baker-Bird Winery for tours and tastings, and finishes with the Game Preserve.

Downtown Augusta boasts a spectacular river walk, antique and curiosities dealers, Marie’s Chocolates - providing quality candies crafted in Augusta, and the Augusta Arts Guild featuring the region’s best and brightest artists. As part of the package, Miss Lily, of Gilded Lily Tours, will be giving trolley tours in Augusta.

Just outside Augusta, is the Baker-Bird wine cellar - the longest and oldest wine cellar open to the public in American today. Baker-Bird Winery is pleased to offer their award-winning Black

Barrel Wine. This very special 11-year old wine gets its flavor from aging in bourbon barrels. It’s a Kentucky original known as the “Thoroughbred of Wines®.”

Potato Hill Farm, in rural Bracken County, is the location of the day’s highlight – the Game Preserve. The farm includes hillsides and a stream for walking and exploring. It has a large lawn with horseshoe, tetherball, croquet and bocce courts. Vintage board games will be set up in the renovated barn. The barn includes a box hockey set, a dance floor, café tables and a Donkey Bar – a restored bar, complete with bar stools, behind which the resident donkeys await their “patrons”. The Game Preserve includes a popcorn bar and local vendors will provide sustainably grown food such as grass-fed beef, roasted chestnuts, and fresh produce.

A special feature of the day is an essential oil workshop by Marie Kelsch. The workshop, being held in the barn at Potato Hill Farm, includes instruction and two custom essential oil blends, a \$30 value.

There is something for everyone in this ticketed event. Tickets are \$20 each, or \$35 for two. Included in the package are games, hiking and farm animals at Potato Hill Farm, Marie’s Essential Oil Workshop, trolley tours of Augusta, trolley transport from Augusta to Baker-Bird Winery, and to Potato Hill Farm, and returning to Augusta. The trolley leaves Augusta for Baker-Bird Winery at 2:00, and from the winery to the Game Preserve at 3:00. The trolley leaves Potato Hill farm for Augusta at 6:00. For tickets contact Marie at (859) 512-7423.

## Senior Citizens Happenings

We welcome you to Bracken Senior Citizens where all are welcome. Come and be a part of our family.

Sheila Collins, our well prepared director, sure does keep us busy. Here are a few things that we have accomplished this past year: started a craft day once a month with Trisha Merrill. She has made us “crafty” seniors and boy do we have FUN! Trisha, we love you and appreciate all you do for us!

Once a month we have a favorite year. At this time we can dress or bring in an item from that year.

Last October we had a Halloween dress up party. Sheila along with assistance from her son John had decorations everywhere! Wow! We had so much fun! Of course, we had delicious food & desserts and prizes were given out.

We had a spaghetti dinner and special music.

For Derby Day we joined with the Home Extension Office for a derby party. We had non alcoholic mint Juleps and we also wore decorated derby hats.

For Pharmacy Appreciation Day, we made cookies for them.

For Adopt A Shelter Day, we collected dog food and treats for our county dog pound.

We had euchre parties in the afternoon and snacks.

We had a Fall cookout and potluck dinner. All was delicious!

For Christmas, we went to Blue Licks to eat. A great time was had by all. A lot of pictures were taken and a wonderful time of fellowship.

We also went to the Horse Park in Lexington to see the beautiful lights and then out to eat! Rain drops were falling, but we had a great time!

We had a garden with tomato and pepper plants. David Appelman from the Extension Office brought us tomato and pepper plants for us to take home and plant. Sure do appreciate their help.

During the winter months Sheila did some science projects that were very interesting.

During Spring we had a potluck meal. We do love to eat!!

We also started "Senior Happenings" for *The Bracken County News*. This has helped to bring in some new seniors and to keep the community informed of happenings that seniors do.

Happenings for Thurs., Oct. 5 - since this month is breast cancer awareness Sheila went over risk factors for women and men. She also has been doing “What Am I?” This is a featured mystery

## Another successful Baby & Family Gala held by Health Department

When it comes to having children, there are many decisions to be made. The Bracken County Health Department tries to help new and experienced parents with those decisions by hosting a Baby and Family Gala every year. This year’s Baby and Family Gala, held at the Bracken County Extension Office, had many booths with information to help with the care of not only infants, but toddlers and older children. One of the booths, shown above, let parents know of the day care options available in Brooksville. Brooksville Child Care owner Stephanie Hamilton is shown above with Macie Conley, left, whose little sister goes to Brooksville Child Care, and Jessica Mains, a current Brooksville Child Care attendee. This year’s Baby and Family Gala was attended by 12 families and 8 guests, making for another successful event.

## Baby Gala Thank You!

We did it again! Bracken Baby & Family Gala 2017 has come and gone. We would like to thank the 12 families and 8 guests who took time out of their busy schedules to attend the event that was held at the Bracken County Extension Office on September 19, 2017. Participants received helpful information from community partners, healthy snacks, and lots of door prizes. This event would not have been possible without the continued collaboration and cooperation from Bracken County Health Department (HANDS Program), Bracken County FRYSC, and the Bracken County Family & Consumer Science. Booth providers included: Comprehend Inc. (Regional Prevention Center & First Steps), Passport Health Plan, Northern Kentucky Health Department (Breastfeeding Promotion), Brooksville Child Care, Primary Plus, Cincinnati Children’s Hospital, Bracken County Health Department, Bracken County Family & Consumer Science, Bracken County FRYSC, Bracken County Public Library, Aetna Better Health of KY, Well Care MCO, and WoodmenLife. Door prizes were also donated by the Farmerettes Homemakers. Thanks to Marilyn Heiert for manning the registration table. Thank you to Bracken County Extension Office for allowing us to have the Baby/Family Gala at your facility. Thank you Bracken County News for publishing the ad and putting pictures in the newspaper. Without the great support from our community partners, this event would not be a success. It truly does take a village to raise a child. Your time and commitment to help support the future generations of Bracken Countians is greatly appreciated.

## Thank You!

object of the month. We had 30 present today and had a delicious meal. The Lord’s prayer was said by all.

Keep in prayer: John Hampton has been in the hospital with pneumonia. We have missed Brenda Roth, Pearl Shelton, Flossie Hay and all the others that have been ill.

We also took a trip to the Georgetown Toyota Plant. This was very interesting. Of course, we ate at Cracker Barrel and oh, such a wonderful time especially when each of us got to pick out a brand new car!!!

September birthdays were Ethel Poe, Sheryl Cruse, Jay Jefferson, Maggie Bess, John Hampton, and Shirley Bailey. Until next week, be a blessing to someone and let us pray for our country and each other.

# TRASH TALK

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

## 606-735-9960

Howdy Folks! It may be a dreary Monday morning but we are thankful for the rainfall that has caused the cloudiness and fog! Our rain gauge registered nearly two inches of rain from the weekend showers. Thankfully, predictions for heavy rains, wind and storms did not materialize! Lots of folks are engaging in a routine Monday, but many schools, businesses and government agencies are closed for Columbus Day which gives them an opportunity to catch some extra sleep! But whether you are working or have the day off, enjoy!

We hope that folks are enjoying using the new recycling trailers but old habits are hard to break, especially bad habits concerning the proper usage of these and all the recycling trailers! Even though two of these trailers are larger, the boxes still need to be flattened after the packing material has been removed. Any type of Styrofoam needs to be disposed, but paper or cardboard packing can be thrown into the trailer to be recycled. Many times we have encountered a larger box filled with flattened boxes. In this situation, the flattened boxes need to be thrown into the trailer and the ‘carrying box’ needs to be flattened also. Sometimes items are shipped with bubble wrap or air pillows for protection. This material is not recyclable, but it is reusable and there is a box in the lobby of the Brooksville Post Office for this type of material, known as the “Bubble Wrap Bank – Deposit or Withdraw”! With the holidays around the corner, many folks make use of this plastic when mailing their Christmas gifts and it is free to anyone for re-use!

Also located in the Brooksville and Augusta Post Office lobbies are blue plastic containers for recycling junk mail, catalogs, newspapers, aluminum cans, plastic bottles

and on occasion, we have gotten glass bottles in the containers! We urge postal patrons to make use of these recycling bins which are conveniently located. In Augusta, the bin is below the bulletin board and in Brooksville, it is to the left of the trash can. Please use these two bins instead of throwing away the above listed items!

Dumpsters continue to be available for Bracken County citizens to use free of charge but there are some restrictions on the type of trash that can be thrown into these containers. If you have any questions, please call our office at 735-9960 and leave a message. Absolutely no closed drums, liquids including pesticides, oil, antifreeze, and paint can be disposed and no brush. Paint that has been solidified by various methods can be disposed, but the paint must not be in liquid form! These rules apply to all dumpsters that the Mason County Landfill or Rumpke rent and are not just stipulations for Bracken County! Please observe the regulations to keep the grant program in good standing! You and your cooperation are the most necessary component of the success of this endeavor!

Recently we received a call regarding computers. Our office has an ongoing e-scrap recycling program that accepts electronic equipment and components associated with computers. E-scrap can be dropped off at our Office of Solid Waste Management BUT under no circumstances can we accept TV’s! These must be disposed with Rumpke or they can be put into the “grant dumpsters” currently at the 188 Hamilton Road location. In closing, Columbus Day gives us a chance to pause with continued prayers that God will bless this country as we do our part to make it a better place by RECYCLING, REUSING and REDUCING to keep His earth clean, green and beautiful! Be seen’ you – *Bin & Bug*.

Support the BCPL’s “Drop Your Drawers” campaign now through Nov. 30<sup>th</sup>

Make your next visit to the Library a brief one, for a good cause, as part of Bracken County Public Library’s Drop Your Drawers campaign.

Drop off packages of new underwear for boys and girls preferably sizes 4-16, from October 11<sup>th</sup> thru November 30<sup>th</sup>, 2017. Donations will help replenish Bracken County elementary schools’ supplies of emergency underpants and provide direct assistance to each school’s Family Resource Centers.

The need is great. Schools are handing out numerous pairs a month to children who need clean underwear due to accidents at school or issues at home. Because parents often are unable to bring fresh underwear to their children during school hours, children can miss valuable learning time in the classroom.

The Library’s goal is to receive 200 pairs. Underwear will be distributed evenly between Taylor Elementary and Augusta Independent.

The Drop Your Drawers Campaign is easily recognizable by the popular character of Captain Underpants by author and illustrator Dave Pilkey.

The library’s collection of Captain underpants’ children’s books will be on display (and available to check out) during the Drop Your Drawers Campaign. By all means, stay a while and enjoy the library’s many services. (The Library doesn’t really want to make your visit brief!).

The Bracken County Football Team held their Senior Night on Thursday, October 5th before their last home game against the Bishop Brossart Mustangs. The Polar Bears defeated the Mustangs 45-26. They will play in Berea this Friday, October 13<sup>th</sup> at 7:30 p.m.

# Polar Bears beat Mustangs 45-26

Last Thursday night, October 5th, was senior night for the Polar Bears and they welcomed Bishop Brossart to the Glacier. After one half of football the Polar Bears still seemed a little off, they had 2 turnovers in 5 possessions and allowed the Mustangs to hold a 19 to 18 lead at the half. The second half was a different story and the Polar Bears looked like a different team. On the opening kickoff Logan Teegarden, shown with ball above, returned it 85 yards for a touchdown. Then on the very next possession by the Mustangs Tad Fisher got an interception and returned it for a touchdown. By the time the dust had settled on the 3rd quarter Bracken had scored 20 unanswered points and led 38 to 19. The defense even got into the act again in the 4th quarter as Austin Stubblefield caused a fumble and Frankie Collins recovered and returned it to the 1 yard line. The Polar Bears punched it in from there and led 45 to 19. Following a late score from Brossart the final score was 45 to 26.

This week the Polar Bears travel to Berea for another district game with the Pirates. GO POLAR BEARS!!

## AHS Cross Country Runs in Buffalo Trace Conference Championship

*Pictured left to right are seniors David Reed and Adam Sallee. Photo submitted*

On Tuesday, October 03, Augusta's high school cross country team competed Buffalo Trace Conference Championship at Mason County. The Buffalo Trace Conference consists of Augusta, Bracken County, Fleming County, Mason County, and St. Pat.

In the boys' varsity race, David Reed led the way for the Panthers, medaling and finishing in 10<sup>th</sup> place in 18:45. Also medaling was Adam Sallee, placing 12<sup>th</sup> running 19:01. Seth Fouts finished in 20:24, Clayton Jamison in 24:22, and Stephen Cordle in 30:35. Sallee, Fouts, and Cordle set new personal records.

"Seth has ran personal bests in the last two meets, so we need him to continue that trend as we approach region," Augusta Coach Tim Litteral said. "Adam had a fifty second PR today, and almost broke into the 18:00s. That's huge for him and would be big for us if he can replicate that type of performance away from the Mason County course. While we no doubt need David to run his best race at region, Adam will a big key to any potential success we can have."

The team will next compete at the Area 7 Championship this Saturday, Oct. 14, at Mason County.

## FIRE PREVENTION WEEK

OCTOBER 8-14, 2017

[firepreventionweek.org](http://firepreventionweek.org)

Oct. 8-14, 2017, has been designated Fire Prevention Week nationally and in Kentucky. In a fire, seconds count. Seconds can mean the difference between residents of our community escaping safely from a fire or having their lives end in tragedy. This year's theme 'Every Second Counts - Plan 2 Ways Out!', is so important. It reinforces why everyone needs to have an escape plan. Do this exercise: Draw a map of your home with all members of your household, marking two exits from each room and a path to the outside from each exit to a designated meeting place.

**BEEP! BEEP!**

The smoke alarm in the bedroom is beeping! Can you find two escape routes from this bedroom to the safe meeting place?

**Safe Place**
